On and from the same date, Nanjangud station which is now open for coaching and goods traffic will be closed for all descriptions of traffic.

A. A. KHAN,
Traffic Manager.

ARASALU-ANANDAPURAM RAILWAY CONSTRUCTION DIVISION, SHIMOGA.

Abstract Notification dated 22nd November 1931.

The attention of intending contractors is invited to this office notifications, dated 14th November 1931 and 11th November 1931, calling for tenders for,—

1. Earth-work in banks and cuttings and
2. Construction of bridges, published *in extenso* on pages 1266-1267 and 1273 respectively, Part VI of *Mysore Gazette*, dated 19th November 1931.

The amount noted in para 15 on page 1273 is Rs. 500 only and not Rs. 1,500 as published.

Last date for receiving tenders is 4th December 1931 up to 12 noon.

Notification dated 13th November 1931.

Sealed tenders are invited from contractors who are willing to undertake earth work in cutting detailed below :—

2. Tenders should be submitted in special forms which can be obtained from the Assistant Engineer-in-charge, Arasalu-Anandapuram Railway Construction Division, Shimoga, on payment of Rs. two which amount is not refundable under any circumstances.

3. Tenders should be addressed to the Assistant Engineer-in-charge, Arasalu-Anandapuram Railway Construction Division, Shimoga, and should reach him not later than 12 noon on 18th December 1931 in sealed covers superscribed, "Tenders for earth work on Arasalu-Anandapuram Railway."

4. No tender will be considered which is not on the prescribed form.

5. Only part rates will be paid, until the whole work is completed. Through rates per 1,000 C.ft. should be quoted and noted both in figures and in words. Tenders which quote rates as "Estimate Rates," or some per cent more or less than estimate rates will not be considered.

6. The whole work should be completed by the 30th June 1932 and the amount of progress during each month should be specified.

7. The name or names of the accepted tenderers will be posted on the Notice Board of the Assistant Engineer's Office soon after the approval by the Superintendent Way and Works and no enquiries regarding the acceptance or rejection of a tender will be replied.

8. The final acceptance of the tender will rest with the Superintendent, Way and Works, Mysore Railways, Mysore, who does not bind himself to accept the lowest or any tender and who further reserves to himself the right to reject without assigning any reason therefor, any or all the tenders or any portion of any one tender.

9. Every tender should be accompanied by an earnest money of Rs. 100 which can be paid in cash to the Assistant Engineer-in-charge, Shimoga, along with the tender.

10. The earnest money of "unsuccessful" tenderers will be returned as soon as possible after the tenders are disposed of.

11. The earnest money of successful tenderers will be accepted as part payment towards deposit due by them as per para 14 below.

12. Tenders which are not accompanied with an earnest money specified in para 9 *supra* will not be considered.

13. Successful tenderers should execute within eight days of the date of notification of acceptance of tenders, the usual Railway Schedule Contract Bond. Failure to comply with this condition will render the tenderer liable for forfeiture of the earnest money and contract cancelled.

14. Successful tenderers should deposit with the Assistant Engineer, Arasalu-Anandapuram Railway, before they sign the Schedule Agreement, five per cent of the value of work given to them such sum not to exceed Rs. 500.

15. Work should be started within 15 days from the date of acceptance of tenders and agreed monthly progress should be maintained.

16. The time limit specified in para "6" above should be strictly adhered to and any violation of this will render the contractor liable to forfeit his deposit not as a penalty or penalties but as ascertained and liquidated damages recoverable accordingly

17. Plans and sections of cuttings to be done and specifications for works are available for inspection in the Assistant Engineer's Office, Shimoga, where intending contractors may call and obtain any information during office hours.

18. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintendent, Way and Works, will be final and legally binding.

Schedule of approximate quantities of work to be done.

Chainage from Arasalu	Description	Approximate quantity	Maximum depth of cutting or height of bank
CUTTING.			
15200—15800	Cutting	416 Units	15½ feet.

A. VISWANATH,
Assistant Engineer,
(In-charge),
Arasalu-Anandapuram Railway,
Shimoga.
